

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Sample: _____

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Water - negative control

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Water - negative control

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Water - negative control

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Rifampicin - positive control

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Rifampicin - positive control

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1

Rifampicin - positive control

Number of bacteria : _____

Number of human cells : _____

Average roundness of human cells (choose a score = 10,9,8,7,6,5,4,3,2,1):

10 = round  _____  irregular = 1
